Application Process

Role: Community Engagement Officer

Energy Projects Plus is recruiting...

Please read the role description and person specification for the relevant role before making your application.

In order to make your application please submit the following documents:

1. CV clearly outlining employment and education history, including details of relevant skills specified in the role specification, and two references.
2. Cover letter explaining how you are suitable for the role you are applying for, and highlighting the relevant skills, experience and expertise you can offer to the role.
3. Equal opportunities monitoring form, which is confidential and does not form part of the assessment process but enables us to monitor how effective we are in our equal opportunities recruitment (not compulsory).

Applications must be received at our office by 5pm on 11th January 2019

Please email applications to hr@epplus.org or send in an envelope marked 'strictly confidential' to: Human Resources, Energy Projects Plus, Wirral Environment Centre, Falkland Road, Wallasey CH44 8ER.

Interviews will be held at our Wallasey office during week commencing 14th January 2019.

For further information on any role please email hr@epplus.org specifying which role you are interested in, and a contact number, for the relevant manager to contact you.

For further information on the recruitment process please call 0151 637 3681.
